

## TEAM SPONSORSHIP PROGRAM

The mission of the Wildcat Youth Hockey Association is to provide a safe environment for young athletes to improve skills, learn sportsmanship and work on a team. We provide programs to teach beginning hockey skills and also provide travelling team competition for the more accomplished skater.

The Wildcat Youth Hockey Association is seeking Team Sponsors from local businesses like yours to support our young athletes.

For those businesses that have supported us in the past, we **THANK YOU**.

Your donation supports our skaters by keeping fees low, while helping to purchase equipment and ice time. Each fall the association reaches out to local business seeking seasonal Team Sponsors for individual Wildcat hockey teams.

We have set up several levels of sponsorship to choose from, each offering very positive exposure for your business with our member families, the hockey teams throughout our area that visit our website and in our local communities.
