Hi all,

Just wanted to send out a reminder that we will have a **Skater/Parent Meeting** on Monday, October 13, after practice, around 6:30 in the Mezzanine (enter thru elevator in Rink A).

The **practice schedule** has been updated on the website. You can print off a copy by going to this address, select Mite A and start date:

<http://www.waunakeehockey.org/index.php?cmd=SCHE DULE>

Also, WAHA (Wisconsin Amateur Hockey Association) requires "proof" of a skater's age. In the past, we have used copies of birth certificates as proof. WAHA is transitioning to a new process with a form that requires "notarization" of the information based off of an original birth certificate. Apparently anyone other than the parent can "notarize" the information.

During the transition we want to keep a copy of the birth certificate and a copy of the notarized form. If you have not provided a **copy of the birth certificate** before to the club please bring a copy to the meeting. Also, please **fill out the attached form** and bring the **original birth certificate** to the meeting and I will "notarize" it. We will not need to keep the original birth certificate. Sorry, I know this is a pain, but we only have a couple of weeks until the first game so we need to get this out of the way.

Please let me know if you have any questions!

Thanks,

Amy

Hi all,

Thanks for a great meeting tonight and being flexible on the location – with all that fresh air, I bet the kids will be sleeping well tonight! Here are some notes from the meeting:

Attached you will find the **agenda** for the meeting.

Attached you will find an updated **Team Roster**.

**Missed Games and/or Practices:** Not a problem! It happens! Please just let Brian and/or I know.

**Tournament Fees:** \$125 per family, payable to Nina Thousand please.

**Raffle Ticket Stubs:** If you can get them to me by Oct. 24 I will get them to Greg Werner for you. They are due Nov. 1.

**Bucky's Mighty Mites, Saturday, November 29:** Thanks to Robb and Kelly Hatch for putting this together! The kids (and parents) are really excited about this opportunity! Just a reminder: We will need the consent form filled out and a headcount of tickets for your family (do not include your skater – they are free). Tickets are \$9 each. Please make out the checks to me, Amy Luebke. We will need this information as soon as possible – thanks.

**Goalie:** Please let me know if you child is interested in playing goalie so we can put together a schedule.

**Birth Facts Sheet:** Thanks so much to the people who brought in their sheet and the original birth certificate already (drinks on me at the first tournament)! I checked with some of the other team managers/ALD's to see if I was the only one being a stickler about requiring the original in order to "notarize" and apparently I am not the only one out there requiring it! The good news is, I found out we don't need it completed until our first tournament so no rush, we have until Christmas.

**Reminder:** I won't be at practice on Wednesday due to a Parent Meeting for the Atom/Rink Rats, but I will be around for next week's practices!

Please let me know if you have any questions or suggestions.....

Thanks,  
Amy

Hi guys,

Couple of things I talked about with Lisa:

- Good news - we were able to swap the home games we had scheduled on tournament weekends with other WYHA teams. 2 home games were affected.
- I will need your CEP numbers – I do have Kevin's.
- Tammy Fairfield still working on getting our access codes to the region4 site. I will forward to you as soon as I have them.
- Lisa thought when scheduling games with Southwest/Sun Prairie/McFarland that we should look to schedule with their B team – do you agree? I know the Mite B team last year held it's own with McFarland both games and they did get bumped down to division 2 because of the split with Oregon, so I am thinking we could hold our own with their A team?
- Nov. 29/30 – no games (other than Mighty Mites!) yet, just practice on that Sunday early afternoon – do we want any other games that weekend?
- December 20/21, December 27/28 weekends – do we want to not schedule games then? I am thinking we might want to shoot for 1 or 2 games on Dec. 20/21.
- We do have home game ice on Jan. 3.
- Weeks of 11/17, 1/26, 2/23 we only have 1 practice – schedule dry land those weeks?
- Weeks of 12/1, 12/15, 1/5, 2/2, 2/9, 2/16 we have Mon/Fri practice – want to schedule dry land on Wed on some of those weeks?

I think that's all for now.

Thanks,  
Amy

Hi,

I got all but 3 sheets of home ice scheduled, I need to save those for Middleton/Stoughton – they were not at the meeting today. I sent an email to the team rep for Middleton tonight – hopefully they will be able to fit into our remaining sheets. Our first game will be against the Patriots on Nov. 1, 8:20am, at Capital, I will not be there and have asked Tom/Tammy Michels to act as team manager (but I have not heard back from them yet). I sent off a note to Beaver Dam, but told them I could not reciprocate the ice. Will do the same for Waupun, Monroe and Baraboo when we really don't have any home ice left because I don't like lying that much ☺. Wisconsin Dells was not interested in playing us, they feel their team plays at more of the "B" level. It's all out on the website if you want to go check it out.

I got my access code for the Region 4 website, I am assuming it would be the same code you guys use, it is: aabab5dc. I have not put anything out there yet for "games wanted" as I want to target Middleton/Stoughton first.

And yes, we are playing Polar Caps twice....sorry. Hard not to reciprocate when they are staring right at ya.

Thanks,  
Amy

Hi all,

I just wanted to let you know that the game schedule is updated on the website. There is only 1 more home game left to schedule and I have inquiries out and will let you know as soon as it is scheduled.

<http://www.waunakeehockey.org/index.php?cmd=SCHE DULE>

Our first game is a home game Saturday, Nov. 1 at 8:20am at Capital, rink B vs. the Patriots. Wear white jersey/socks, but please bring your black jerseys/socks. I will not be there. Tom/Tammy Michels have graciously agreed to be the team manager for the game. I am looking for volunteers to run the clock, penalty boxes, scoresheet. Please let me know asap if you can do this. Also, please let me know if your skater will be missing the game, I seem to recall Dane wasn't the only one that was going to be gone.

Our second game is Sunday, Nov. 2 at 11:20am in Janesville. I will be there.

That's all for now. Let me know if I am missing anything.

Thanks,

Amy

Hi all,

The Mite B team is scheduled for practices next week on Mon/Wed at 6:45 @ Sauk. Coach Mike would like everyone at practice dressed and ready to go (except helmets) at 6:20. Coach Brad of the Mite A team will be giving a "Chalk Talk" in the locker room starting at 6:25. He is going to go over positioning, hockey concepts, terminology, etc. Coach Mike would like all the Mite B skaters to attend. This will be for BOTH practices.

Hi Mite B families,

After our team meeting I promised you an email in regards to voting on tournaments – we need to do this quickly (by Monday night) before we go into the game scheduling meeting next week (so we can swap out any home ice we might lose).

Here are our suggestions:

We have no home ice in February (not good if we make it to State), so we are suggesting going to the Rhinelander tournament on Feb. 19-21. The Mite B team won this tournament last year, there is a pretty cool hotel, and the Mite A's are going so we can spend the weekend together (which is always nice!).

For a local tournament, we think good choices are: Monroe (Jan. 9-10) or Baraboo (Jan. 22-24).

Also, a reminder that we will need \$125 from each skater to cover cost of tournaments. Please make the check out to Amy Luebke. This will give us plenty of \$\$ for tournaments, but I would like to be able to use any remainder from the 2 tournaments to purchase game ice in February (if we make it to State, Mar. 10-14) – I have never done this before, but I am going to try as that is too many weekends without a game. If we have any leftover, we can use for the year end party or I will refund.

So, what we need to know is, are you good with the Rhinelander weekend and if you have a preferred weekend between the Monroe or Baraboo tournaments.

Please let me know as soon as possible (by Monday night) so we can make all the necessary arrangements.

Thanks,  
Amy

Hello Mite B families,

I am attaching a sign-up schedule for off ice officials. At home games, we need to supply someone to work the penalty box, the scoreboard, and the scoresheet. At some away games, we need to supply penalty box. Let me know what games/duties you are interested in. We have this weekend covered.

At the Monday, Nov. 2 practice, I will go over scoresheet and penalty box duties. I was thinking that we had practice at Capital coming up so that we could practice on the scoreboard, but we dont - we are at Sauk. So I am hoping that for the first couple of games at Capital that Bill/Shawn/Jeff/Donnie(veteran scoreboarders) could partner up with another new parent during the game to teach them how to run the scoreboard. Also, if any parent gets to DCA with an older skater.....we need to know how to run those scoreboards too.

Thanks,  
Amy

Hi Mite B families:  
Some info for you:

- Remember to be a practice by 6:20 on Wednesday as Coach Mike and Coach Brad will be giving a "Chalk Talk".
- For those of you that need to have the Birth Facts Form filled out, I will be at practice on Wednesday – please bring your skaters birth certificate.
- Game, Sunday, Oct. 25 @ 9:50am at Capital, Rink B(double check the board as you walk into the rink) against the Middleton Mite B team. Wear white jersey/socks, but bring your black jersey/socks just in case. I will not be able to be there, Amy McCormick will be performing the team manager duties. We may need someone to run one of the penalty boxes. I am looking for a volunteer – please let me know. It's very easy, stand in the penalty box, count the saves for your team goalie OR the goalie on your side (work that out with the other penalty box worker) and if by chance there is a penalty, let the poor kid out when he is done serving his time. ☺

If you have any questions please let me know.  
Thanks,  
Amy

Hello Mite B families,

Wow! I was very impressed with the last ½ of the game I saw out there today. The kids should be very proud of themselves.

A few things:

- Thanks to Jen/Wade for a great party!! I think everyone had a great time!! If your child left a red Wisconsin hat or a blue windbreaker, I have them and will bring them to practice.
- Thanks to those who brought the birth certificates. I believe I just need Dubois and Thompson.
- I will be updating our game schedule on the website tonight so that you have it. Let me know if you need any help getting to it.
- Tournament fees – we are collecting \$125 per skater for tournament fees – we cant sign up for tournaments until we have the money and some of these tournaments fill up fast. Please make the check out to me.

On the other hand, for tournament fees, if you know of someone interested in being a corporate sponsor, we could hand the tournament fees back to the families as they would be covered. I am attaching a flyer, so if you know of any businesses that would be interested, please send them the flyer and let them know to credit the Mite B team!!

Let me know if you have any questions!

Thanks,  
Amy

Hello Mite B families,

I would suggest booking your hotel rooms for the Rhinelander tournament, Friday, Feb. 19 and Saturday, Feb. 20. If we don't play until later you can always cancel your Friday night registration, but it's highly likely we will play early enough where we will have to go down Friday night.

Thanks,  
Amy

I have booked rooms for the Rhinelander tournament February 20th at the AmericInn. The rate is \$79 per night and includes a continental breakfast. I also was able to book the meeting room which is right off the pool for Saturday night. Please contact them at 715-369-9600 by January 15th to make reservations. The rooms are booked under Waunakee Hockey. Per their policy it was better to book Saturday only and we can add Friday night if we would like. Otherwise a guarantee was needed for both nights. It would probably be best to make your reservations as soon as possible for both nights and you could always cancel once we get the game schedule. Thank you.

Hi Mite B families....

Attached you will find more info on the Rhinelander tournament. The rink we will be going to is at this address: 2021 E. Timber Drive.

We will be doing a potluck with the Mite A families on Sat. afternoon. We have the hospitality room right off the pool. Our team will be bringing hot dogs, sandwich meat/cheese, buns, and condiments. The Mite A families are bringing salads, veggies, fruit, desserts, etc. I can get hot dogs, sandwich meat, cheese and condiments all from Oscar Mayer at a lower cost so I will take care of that and I will go get the buns too because that's easy(I will use team fund \$ as long as there is no objections). So.....all you have to worry about is to bring your own drinks!!

Looking forward to hanging out with all of you this weekend and seeing some good hockey from our team!

Thanks,

Hi Mite B team,  
Awesome game today!! Congrats to Evan Bauer on his hat trick!!

FYI – we have an **away game next Sunday, Nov. 8** that I missed putting on the website – Sorry!! It's against **the Polar Caps Mite B at the Madison Ice Arena at 9:20**. Please let me know if this will be an issue for you.

Also, I have put the **Off Ice Officials schedule** out on the website in the notes section under each game. Box means penalty box, sheet means scoresheet, and time means scoreboard. I will send out an email explaining how to do penalty box and scoresheet. For scoreboard, I am going to ask some of our veterans to help out the new folks for their first time. Luckily most of our games are at Capital so you can get used to the scoreboard there.

**Dryland practice** – I am trying to get a dryland practice for Tues 11/10 or Thurs 11/12 (before pictures). I will keep you posted.

## **This week's schedule:**

Mon. 11/2, practice 5:30pm @ Sauk

Wed. 11/4, practice 6:45pm @ Sauk

Sat. 11/7, Home game(wear white), 8:20am, Capital B vs. Middleton Mite C: Box(Paradisín), Sheet(Boyer), Time(Hagerty)

Sun. 11/8, Away game (wear black), 9:20am, Madison Ice Arena vs. Polar Caps B: Box(Spaith)

Thanks a lot Mandy! Would you mind handling it the same way you are doing for the Squirt A's? I think you are sending a bill to WYHA PO Box 156 and labeling it Squirt A extra ice – if you could label this one Mite B extra ice then our Treasurer can use our corporate sponsor \$ to pay for the ice.

Thanks much and happy holidays!

Hi Mandy,

My name is Amy Luebke and I am the team manager for the Waunakee Wildcats Mite B team. I see that you have an hour of ice open on Sunday, Feb. 7 at 2:45 – we would like to purchase it if it is still available(similar to what the Squirt A parents have done). Please let me know.

Have a great holiday and thanks for all that you have done for the Wildcats – I know it's been a lot!

Hello Mite B families,

Wow! What a game! I think I saw more passes today than I have all season! That's awesome! It was a hard fought game and although we didn't come out with the win the kids played hard and with a lot of heart. The Stoughton goalie had 24 saves – that's a lot of saves for a Mite B goalie, they were just not falling in for us. The kids should be very proud of themselves. The good news is we still make it to state which will be a good experience for them to take with them for next year. Here's what's ahead for us:

### **Week of 2/15:**

Mon. 2/15, practice 5:30pm Sauk

Tues. 2/17, practice 6:45 Sauk

**Rhineland next weekend.** Schedule is attached. We play at 7:30am and 5:30pm on Saturday and depending on how we do we will have 1 game on Sunday. That's A LOT Of time between games so we are thinking swimming after the 1<sup>st</sup> game, lunch at noon with the Mite A team (they play at 10am.....and if any of the kids are interested in watching the Mite A team play too that's an option). I will send something out about a potluck later this week and will talk to the hotel to see if they have an area we can use.

We currently don't have practices scheduled the week of 3/8, but the Iceman (Bill Paradisin) is working on getting us some ice that week. We currently don't have games scheduled the weekend of Feb 27-28 or Mar 6-7 and I will work to get one scheduled for each weekend. We may have to purchase ice out of the team fund....as we don't have enough in the team sponsorship fund for an entire sheet of ice. We wont have to pay for the practices though. I understand families may have made plans for those weekends, so we will play with whoever we got just to keep the kids skating.

**State is the weekend of March 13-14 at SHAW** which is in Milwaukee a little less than hour and half away. I did ask that they send us information about hotel accommodations, but we will more than likely not stay over. Game times at state are very reasonable....right now it looks like the earliest we would play is 10:30am, the latest game being 5:45 (we will play 2 games on Sat. and one on Sunday).

The reason we made it to state (and this happens a lot at the Mite B level....my son Dane made it to state as a Mite B the same way despite losing playoffs) is because there are regions in the state that don't have Mite B teams and so the region doesn't have anyone to represent them. Our record was good enough to be considered for this. This will be a very good experience for the kids.....my hope is we end up facing Stoughton again at some point!

Please let me know if you have any questions....I know this was a lot of info to throw at you!  
Give your skater a hug and tell them you are proud of them because they did awesome today!

Signing off.....  
Amy

Hi all,

Couple of things, ok, a couple turned into lots of things:

- For Friday night's **game** against the Polar Caps I need someone to do scoreboard and penalty box. I also need someone to do penalty box at McFarland on Saturday. Let me know if you are interested.
- 
- **Practice** the week of 3/2 – I hope you all saw the note about practices scheduled for Mon/Wed Mar. 2 and 4, 5:20, at Capital.
- 
- At **Tomah**, on Sat. morning when we have a lot of time and the kids can't be in the pool, I was wondering if we wanted to do some type of activity like make signs or something that we can use at State the next weekend. Last year, at the state tournament, one team, made little stick hockey figures with the picture of each child on the stick figure (I am not describing it well, but hopefully Nina, Kristin, Becky, Sara, Susan, remember what I am talking about). I am hoping someone more creative than me can come up with some ideas. I just thought it would be something good to keep ourselves busy and if the kids help, keep them quiet and calm.
- 
- I attached the brackets for **State** – our first game is on Saturday at 9:30am against Fox Valley in Janesville.
- 
- **Year End Party**, will be at Pizza Hut in Waunakee, 4:30pm on Sunday, March 8 after we win the State Championship! ☺ This will be nothing fancy, just pizza/soda (not sure if they serve beer?), and an opportunity to reminisce about the year.
- 
- Don't forget to fill out your **coaches evaluations** that Lisa sent out and bring to the meeting next week!
- 
- I am also attaching a note with information about **hockey nutrition** that Coach Kevin sent me a long time ago that I just found and thought I better send out.

Let me know if you have any questions!

Thanks,  
Amy

Team Managers,

The Region 4 playoffs are posted out there so you can see what games you play on Feb. 13-14. Go to Region 4 website. Go to "Results" and then to the far right is a tab for 2010 Playoffs. Click on individual brackets – and then select your group. We are division 2 so if you are the Mite A team you would look at Mite 2A.

<http://www.region4hockey.org/playoffs/brackets.php>

Let your coaches/teams know as soon as possible. Also, that first game check in is really important for the team manager – they say you need to be there 45 mins before game starts. I would be there then. You must have your USA hockey roster and Birth Facts forms to check in (and they will check!). The team needs to be there 30 minutes early dressed and ready to go – they could start a game early if they want.

Make sure your coaches know to bring their CEP cards – they will NOT be allowed on the bench without showing them. I have attached a document containing the rules, please give them to your coaches.

I believe each team has to provide 2 off ice officials. So have someone be prepared to run the clock.

Please let me know if you have any questions!

Amy

Hi coaches,

Here are the playoff rules and although I have copies of your coaching cards, please try to remember to bring them to the rink on Sunday. You will need to check in with your card before the game. I will inform the team to wear white (but bring black) unless I hear differently.

Let me know if you have any questions,

Amy

>>> "J Feely" <jfeely3@tds.net> 02/09/09 9:18 PM >>>

Region 4 Association Presidents:

Please pass this on to your coaches and team managers.

A few important reminders as you get ready for the upcoming playoffs:

All coaches must check in with the tournament director before each playoff game and present their USA Hockey coaching card. Don't expect the tournament director to cut you any slack on this. Each coach must have a card showing that he is correctly certified to coach the team. Mites need a Level 1; Squirts need a Level 2; PeeWees and older need a Level 3.

Playoff rules (attached - from the website) require that teams be ready to play a half hour before the scheduled game time. This is seldom necessary, and it obviously doesn't apply to the first game of the day, but you should have your team ready to go per the rule.

All team managers must check in with the tournament director 45 minutes before game time. Also, before their first playoff game, they must present their team's roster and proof of age for each player. The official USAH team roster should be the first page in a notebook, and the birth certificates (or other documents proving players' ages) should follow, arranged in alphabetical order. If your team is going to state make sure

that you fill out the required team form. The tournament director will have it for you.

Any questions, issues, etc. should be directed to the tournament director.

Hello Mite B families,

Our team is seeded 1<sup>st</sup> for the Mite B region 4 playoffs on Feb. 13 & 14. We will get a bye on Saturday and then play the winner of the Janesville/Stoughton game on Sunday morning, 8am at the Sun Prairie rink. Game has been added to the schedule. Skaters will need to be dressed and ready to go at 7:30am. We will have to provide 2 off ice officials – someone may have to work the clock (I think Mike did it last year at Dane's playoff game so the Sun Prairie clock was pretty easy to learn).

Thanks,  
Amy

Hello Mite B families,

Hope you all had a good time this weekend – I know I sure did! And the kids played awesome against a team that would have given many of the Mite A teams in the tournament a run for their \$\$\$. Here's a bunch of info:

Sun. 2/28 1:30pm game vs. Baraboo – wear black

Mon. 3/8 6:45pm practice at Sauk  
Wed. 3/10 6:45pm practice at Sauk  
Sat/Sun 3/13 and 3/14 – State Tournament!!!!

### **State info:**

T-shirt order – I am placing the order tomorrow – I currently have Declan, Dylan, Alex, Kylee, Shane, Logan, Ben ordering – let me know if I missed you!! I will collect \$12 from you this weekend.

I am attaching emails from the tournament director for the state tournament that contain information about: places to stay near SHAW, maps, points of interest, etc. and it also looks like they are selling "Shout Out" ads for the state tournament booklet.

On Sat. 3/13 our first game will be against Arrowhead White at 10:15am, depending on how we do we would play at 2:00 or 3:15pm.

### **Pictures of the kids**

I wanted to let you know that I am working on posting all the pictures that I have taken during the games somewhere where you can all get at them. It's slow going but I will have more time this weekend to work on it and will let you know how to access them. If any of you have any to share let me know and we can figure out how to get yours uploaded too!

Let me know if you have any questions!!  
Thanks,  
Amy

Hi all,

Just a reminder that we will have our **Year End Party this Sunday, Mar. 28 at the Waun-a-Bowl starting at 2:30** instead of 3pm (in case some of you want to make it to the Rink meeting starting at 5pm). We are set to bowl and have pizza – they will give us the far lanes where we can also have some tables set up for pizza. I think I have only heard one decline so far (Spaith) so I hope to see you all there!

I also wanted to give a report on the team fund:

Collected: \$1875+

Tournaments: \$975-

Food at Rhinelander: \$118-

Extra games purchased\*\*: \$121-

Coaches gifts: \$140-

Remainder: \$521, which amounts to each skater getting back \$34! So I will bring that cash to the party!

\*\*most of the expense associated with extra games was paid for by our Team Sponsor, Rome Systems, Inc.

Thanks!

Amy
